

# Combined Federal Campaign

The CFC Heroes program is a wonderful way to highlight the CFC and the individuals who make it happen. It ties into the national program and provides an opportunity for our federal employees to receive national recognition as well as regional recognition. Regional Heroes will be recognized at the awards event in January, and National Heroes are honored in Washington D.C. **Please help us identify nominees for CFC Hero recognition by submitting their relevant information no later than January 18, 2010.** E-mail your nominee to your Employee Campaign Coordinator or Campaign Chair; or directly to CFC Norcal. Please use the attached guidelines. Nominees may be made from each of four categories – Civilian, Postal, Military (Uniform and Civilian).
